4.1 **Buffer width.** Except as provided in subsection 4.4 and 4.5, a landowner owning property adjacent to a water body identified on the buffer protection map must establish and maintain a buffer area as follows:

(a) For waters shown on the buffer protection map requiring a fifty (50) foot width buffer, the buffer width will be fifty (50) foot average and thirty (30) foot minimum width as provided in Minn. Stat. §103F.48, subd. 3 and as measured according to subsection 4.2; and

#### 4.2 **Measurement.**

(a) The width of any required buffer on land adjacent to a water requiring a fifty (50) foot average width and a thirty (30) foot minimum width buffer shall be measured from the top or crown of the bank. Where there is no defined bank, measurement must be from the edge of the normal water level as provided in Minn. Stat. §103F.48, subd. 3(c).

(b) The width of any required buffer on land adjacent to a water requiring a sixteen and a half (16.5) foot minimum width buffer shall be measured in the same manner as for measuring the vegetated grass strip under Minn. Stat. §103E.021, subd. 6 as provided in Minn. Stat. §103F.48, subd. 3(c).

4.3 **Use of buffer area.** Except as provided in sections 4.4 and 4.5 a buffer as defined in this ordinance may not be put to any use, included but not limited to cultivation farming, which would remove or prevent the permanent growth of perennial vegetation.

4.4 **Exemptions.** The requirement of section 4.1 does not apply to land that is exempted from the water resources riparian protection requirements under Minn. Stat. §103F.48, subd. 5.

4.5 **Alternative practices.** As provided in Minn. Stat. §103F.48, subd. 3(b) an owner of land that is used for cultivation farming may demonstrate compliance with subsection 4.1 by establishing and maintaining an alternative riparian water quality practice(s), or combination of structural, vegetative, and management practice(s) which provide water quality protection comparable to the water quality protection provided by a required buffer as defined in sections 4.1 to 4.3. The adequacy of any alternative practice allowed under this section shall be based on:

(a) the Natural Resources Conservation Service (NRCS) Field Office Technical Guide (FOTG);

(b) common alternative practices adopted and published by BWSR;

(c) practices based on local conditions approved by the SWCD that are consistent with the Natural Resources Conservation Service (NRCS) Field Office Technical Guide (FOTG); or

Parcels grandfathered in for other preexisting land uses shall not be grandfathered in with respect to these provisions and with respect to compliance with the Buffer Law, Minn. Stat. § 103F.48.

## 5.0 COMPLIANCE DETERMINATIONS

5.1 **Compliance determinations.** Compliance with the buffer requirements set forth in section 4 will be determined by the Lincoln County SWCD on a parcel by parcel basis. The compliance status of each bank or edge of a waterbody on an individual parcel will be determined independently.

**5.2 Investigation and notification of noncompliance.** When Lincoln County identifies a potential noncompliance with the buffer requirements or receives a third party complaint from a private individual or entity, or from another public agency, it will consult with the Lincoln County SWCD to determine the appropriate course of action to document compliance status. This may include communication with the landowner, inspection or other appropriate steps necessary to verify the compliance status of the parcel. On the basis of the evidence gathered in this process, the Lincoln County SWCD may issue a Notification of Noncompliance to Lincoln County. If Lincoln County SWCD does not issue such a Notification, Lincoln County will not pursue a compliance or enforcement action under Minnesota Statutes §103F.48 and subsection 6.2. At any time during process set forth in 5.2 and 5.3, the landowner may provide documentation of compliance to Lincoln County SWCD.

**5.2.1 Compliance determination.** Lincoln County SWCD will evaluate the available documentation, and/or evaluate and/or inspect the buffer and/or alternative practices to determine if the parcel is in compliance. Upon completion of the evaluation and/or inspection Lincoln County SWCD shall issue a written compliance determination to the landowner, Lincoln County and BWSR. Lincoln County SWCD may also issue a Validation of Compliance if applicable and requested by the landowner.

**5.3 Corrective Action Notice.** On receipt of a Lincoln County SWCD Notification of Noncompliance, Lincoln County will issue the landowner a Corrective Action Notice and APO that will:

- (a) Include a list of corrective actions needed to come into compliance with the requirements of Minn. Stat. §103F.48;
- (b) Provide a timeline for complying with the corrective action notice;
- (c) Provide a compliance standard against which the County will judge the corrective action; and
- (d) Include a statement that failure to respond to this Notice may result in the assessment of an administrative penalty.
- (e) All parts included in 6.2.1

Lincoln County shall transmit the corrective action notice and APO by either personal service to the landowner or by depositing the same in the U.S. Mail. If service is made by U.S. mail, the document is deemed received three business days after the notice was placed in the U.S. mail. Failure of actual receipt of a corrective action notice that has either been personally served or served by depositing the same in the U.S. Mail shall not be deemed a defense in an enforcement proceeding under section 6.0. Lincoln County shall also send a copy of the Notice to Lincoln County SWCD and BWSR.

Lincoln County may modify the corrective actions and timeline for compliance, in accordance with section 5.2, to extend the compliance timeline for a modification that imposes a substantial new action or significantly accelerates the completion date for an action.

5.3.1 At any time after receipt of a corrective action notice, the landowner may provide documentation of compliance to the County. In addition, the landowner may supply information to Lincoln County or to Lincoln County SWCD in support of a request to modify a corrective action or the timeline for compliance. On the basis of any such submittal or at its own discretion, Lincoln County may make a written modification to the Corrective Action Notice or timeline for compliance. Lincoln County should also make a written determination documenting whether the noncompliance has been fully corrected. Any such modification of a compliance determination will be served on the landowner in the manner provided for in section 5.3. Lincoln County shall provide Lincoln County SWCD and BWSR a written copy of any modification made pursuant to this provision.

5.3.2 Lincoln County SWCD may, after an evaluation of the evidence documenting compliance submitted by the landowner, issue a written Validation of Compliance if requested by the landowner. Upon receipt by Lincoln County of a written compliance determination issued by Lincoln County SWCD, the Corrective Action Notice and APO will be deemed withdrawn for the purpose of section 6.0, and the subject property will not be subject to enforcement under that section.

## 6.0 ENFORCEMENT

### 6.1 Failure to comply with a corrective action notice issued under section 5.

The County may, at its own discretion, elect to pursue the failure to comply with a corrective action notice either criminally or through an administrative penalty order as set forth herein.

(a) Failure to comply with a corrective action notice issued under section 5 constitutes a misdemeanor and shall be punishable as defined by law.

(b) The County may issue an APO as provided for in Minn. Stat. §§103F.48, subd. 7(b) and (c) and 103B.101, subdivision 12a to a landowner who has failed to take the corrective action set forth in the corrective action notice. For the APO to be effective it must be served on the landowner together with a copy of the corrective action notice or alternatively the County may serve the landowner with a combined Corrective Action Notice and APO so long as the combined Notice/APO includes all the elements of both. Service is effective either by personal service or by depositing the documents set forth herein in the U.S. Mail. Any penalty assessed in the APO shall continue to accrue until the violation is corrected as provided in the Corrective Action Notice and APO.

### 6.2 Administrative Penalty Order (APO).

(a) Initial violation. The penalty for a landowner on a single parcel that has not previously been the subject of an APO issued by the County shall be:

- i. \$0 for 11 months after issuance of the Corrective Action Notice;
- ii. \$50 per parcel per month for the first six (6) months (180 days) following the time period in i. and
- iii. \$200 per parcel per month after six (6) months (180 days) following the time period in ii.

(b) Repeat violation. The penalty for a landowner on a single parcel that has previously been the subject of an APO issued by the County or shall be:

- i. \$50 per parcel per day for 180 days after issuance of the Corrective Action Notice; and
- ii. \$200 per parcel per day for after 180 days following the time period in i.

(c) Ongoing penalty assessment. Any penalty assessed under this section shall continue until the corrective action notice has been satisfied.

6.2.1 APO. To be valid the APO shall include, at a minimum:

- i. The facts constituting the violation of the riparian protection and water quality practices requirements set forth in this section 4.0 of this ordinance or Minn. Stat. §103F.48 ;

- vi. The date that payment of the penalty is due;
- vii. A statement of the landowner's right to appeal the APO.

6.2.3 A copy of the APO must be sent to the Lincoln County SWCD and BWSR.

### 6.3 Administrative Penalty Order Procedures

6.3.1 Statute of limitations. Any administrative enforcement proceeding including the issuance of an APO should be undertaken within three years after the alleged violations was discovered or reasonably should have been discovered by the County. According to Minn. Stat. §541.07, the County has two years in which to commence an APO action after the date the violation is discovered. The goal is to complete the action as soon as reasonably practical, recognizing that situations for which data must be gathered, field investigations must be completed and/or modeling must be performed will require adequate time to complete the work and communicate with the landowner involved.

6.3.2 Compliance verification. Once a landowner has submitted written evidence of correction of the violation set forth in the notice of compliance, compliance must be verified. The County will:

- i. Review and evaluate all information related to the APO to determine if the violation has been corrected;
- ii. Verify compliance by site visit, re-inspection, examination of documentation, or other means as may be reasonable under the facts of the case; and
- iii. Document compliance verification.

Lincoln County may consult with Lincoln County SWCD when conducting a compliance verification.

6.3.3 Right to appeal. Within 30 days after receipt of the APO, a landowner may appeal the terms and conditions of an APO issued by Lincoln County to BWSR as provided in Minn. Stat. §103F.48, subd. 9. The appeal must be in writing and must include a copy of the APO that is being appealed, the basis for the appeal and any supporting evidence. The appeal may be submitted personally, by U.S. mail, or electronically, to the Executive Director of BWSR. Any APO that is not appealed within the 30 day period shall be deemed final.

6.3.4 Penalty due. Unless the landowner appeals the APO as provided in section 6.3.3 the penalty specified in the APO becomes immediately due and payable to Lincoln County as set forth in the APO. If, however, the landowner submits written documentation that the violation has been corrected prior to the time the penalty becomes due and payable Lincoln County shall verify compliance and adjust the penalty to an amount the landowner would have owed had the penalty been paid on the date the landowner submitted written documentation of compliance. Written documentation of compliance may include a written validation of compliance issued by Lincoln County SWCD.

However, if Lincoln County determines the violation was not fully corrected, Lincoln County shall notify the landowner by issuing a written letter of determination and depositing it in the U.S. Mail. Any determination sent by U.S. Mail shall be deemed received three business days after the letter of determination has been deposited in the U.S. Mail. The landowner shall have an additional 20 days after receipt of the letter of determination to pay the penalty or the time period specified in the APO as issued, whichever is later. The penalty will continue to accrue until the violation is corrected as provided in the Corrective Action Notice and APO.

6.3.5 Referral for collection of penalty. All penalties and interest assessed under an APO must be paid by the landowner within the time specified in this section. All payments shall be made payable to Lincoln County. Any penalty or interest not received in the specified time may be collected by Lincoln County using any lawful means which may include special assessment on property taxes.

6.3.6 Reporting and documentation. Lincoln County shall maintain the following records for any potential violation of the riparian protection and water quality practices requirements. Said records shall include but are not limited to the following:

- i. The cause of the violation;
- ii. The magnitude and duration of the violation;
- iii. Documentation showing whether the violation presents an actual or imminent risk to public health and safety;
- iv. Documentation showing whether the violation has the potential to harm to the natural resources of the state;
- v. A record of past violations;

- vi. Efforts by the SWCD, County, Watershed District or BWSR to assist the responsible party or parties to become compliant, including written and oral communications with the responsible party or parties ; and
- vii. Past and present corrective action efforts by the responsible party or parties.
