# CHANGE OF OWNERSHIP FORM

for animal feedlots and manure storage areas

Animal Feedlot Rules Chapter 7020

**Part 1. Purpose and Scope (when must this form be submitted).**

Minn. R. 7020.0405, subpart 4, requires the new owner of an animal feedlot or manure storage area to complete and submit a change of ownership form to the MPCA or delegated county feedlot pollution control officer. This form must be completed and submitted prior to a change in ownership or control of an animal feedlot or manure storage area issued a National Pollutant Discharge Elimination System (NPDES), State Disposal System (SDS), Construction Short-Form or Interim permit. For owners covered by a NPDES or SDS permit, this form shall serve as a request by the new owner to modify the permit solely for the purpose of a change in ownership or control of the animal feedlot or manure storage area as required in Minn. R. 7001.0190.

Note: changes at the animal feedlot or manure storage facility other than a change in ownership or control of the facility may require completion and submittal of a permit application.
