Data Distribution Agreement

Lincoln County, MN is providing this information for use by you and your staff only. Any distribution of this information outside of your organization is strictly prohibited.

Lincoln County is furnishing this data on an "as is" basis, without any support whatsoever, and without representations or warranty, including, but not limited to, fitness, merchantability or the accuracy and completeness of data. The data is a compilation of records, information, and data from various sources and should be used as a reference only. Neither Lincoln County or any other entity from which data was obtained assumes any liability for any errors or omissions herein. Because the data is inherently complex and may not be completely free of errors; in no event will the County be liable for direct, indirect, special, compensatory, incidental or consequential damages arising out of the use or the inability to use the data. Specifically, the County is not responsible for any costs including, but not limited to, those incurred as a result of lost profits or revenue or the loss of use of data.

Lincoln County reserves the right to deny access to data if the County deems that the data is non-public or to protect the privacy - of individuals, households, farms, or businesses.

Lincoln County may charge fees to provide copies of data to recover costs of time and materials to provide the data.

I, _____, have read and understood the "Data Distribution Agreement" above. By signing below, I agree to all of terms, either expressed or implied, of the "Agreement".
