

Geospatial Data Availability and Pricing Schedule

Geospatial data and maps are available at the Lincoln County Assessor's Office located at 319 N. Rebecca, Ivanhoe, MN 56142.

Access to some of our county's geospatial data requires signing of a License Agreement

prior to receiving it and, in some cases, a fee may also be required. If a license agreement

is required, it can be obtained at our department. The following is a listing of geospatial data available from our county:

Digital Data	Data Development Cost Recovery Fee <i>(In Addition to Handling and Reproduction Fee)</i>
Parcels-boundaries and attributes	\$0.05 per parcel
School district boundaries	Not specified
Physical features	Not specified
Watershed boundaries	Not specified
Wetlands	Not specified
Lakes & Streams	Not specified

¹ Contact Lincoln County Environmental Office for the metadata for the characteristics of available data.

³ A data delivery charge of \$25.00 will be added to each request serviced by our staff for handling and reproduction. Requests for custom data extracts, data reformatting, or services not described here are charged at \$50.00 per hour.

The funds collected from the distribution of data are used to develop and maintain our county's digital geospatial data.

Parcel and Property \$0.05/Parcel (minimum charge \$1.00)

Data via E-mail (size unspecified) \$1.00

Shipping product is at cost and varies by method

Maps can be printed from existing data at the following fees:

8x10 up to 11x17: \$2.00

17x22 up to 34x44: \$4.00

34x44 and larger: \$8.00
