County policy will not allow more than one residential entrance or small parcel entrance per owner per parcel.  
~~~~~

Statement:

The access for which I am applying meets County policy. I understand that I must construct the approach from clean fill material, and that if the County Engineer so determines, I will furnish a culvert of suitable size and capacity. The deposit must be in the form of a check (personal/cashiers/certified) at the Engineer's Office.

I further understand that the County will furnish 10 cubic yards of Aggregate Surfacing Material upon notification that the approach is satisfactorily completed, at no expense to me.
