1. Pick up litter on a segment of County highway selected in consultation with the County Highway Department. Recommended length is two miles. At the County's discretion, certain highways may not be eligible.
2. Review the safety training materials before each pick up to alert participants to the hazards and precautions of working on a highway right-of-way. See MnDot training video at...
<http://www.dot.state.mn.us/adopt/resources.html>
3. Pick up litter during daylight hours only. Pick ups may not be allowed at certain times such as on or near holidays.
4. Provide adequate supervision to participants eighteen years of age or younger. Unless specifically permitted, children age eleven or younger shall not participate.
5. Limit work to the area between the outer shoulders and the right-of-way boundary. Work may not be done on the roadway itself.
6. Coordinate litter pick up date(s) with the County Highway Department. The group will be instructed how and where to obtain its supplies.
7. Place filled trash bags on the shoulder grass line. Arrange with County Highway Department to pick up the bags. Groups are encouraged to recycle appropriate materials for their own benefit.
8. Return borrowed or unused supplies to the County Highway Department when discontinuing participation.

Lincoln County agrees to:

1. Provide high visibility vests, trash bags, and temporary traffic warning signs when necessary and as determined by the County.
2. Remove filled trash bags from the adopted highway.
3. Remove large, heavy, or hazardous materials from the adopted highway.
4. Erect 24" x 18" highway signs on nearby existing sign posts or otherwise recognize the group's cleanup efforts. Highway signs shall be erected only for groups that agree to adopt a highway for a minimum of two years. The name on the sign shall be limited to two lines of twelve characters (including punctuation and spaces). Lincoln County reserves the right to approve and/or edit names or acronyms.
